

# Biomedical Laboratory Science Walk-In Advising with Mariane Wolfe

**Friday, February 21 | 1:00 p.m.–4:00 p.m. | Holmes Hall, Room E-35**

## **Are you interested in Biomedical Laboratory Science?**

Do you find biology, chemistry, or medicine fun? Use your lab skills to help diagnose and monitor human diseases! Mariane Wolfe from the Department of Biomedical Laboratory Science will be here to answer your questions about the major. For BLS majors, she will answer advising questions in the comfort and convenience of Holmes Hall.
