

PICTURE A SCIENTIST

2020 documentary directed by Ian Cheney and Sharon Shattuck that focuses on how cisgender women scientists grapple with, negotiate, and work within various forms of race- and gender-based inequality in their STEM careers.

1. ATTEND AN LBC SCREENING

April 7, 7:00 p.m. C-102

with Dr. Brandt

April 8, 6:30 p.m. (Zoom)

with Dr. Shuster

Meeting ID: 935 594 28876 Passcode: LBC

April 11, 5:00 p.m. C-106

with Dr. Louson

Or watch on your own

via MSU Libraries access:

<https://bit.ly/picture-sci>

snacks & drinks provided for in-person screenings

2. FILL OUT A QUICK SURVEY

<https://bit.ly/picture-sci-reflect>

3. ATTEND OUR PANEL DISCUSSION

April 14, 6:00–7:30 p.m., C-101 and 102

Inspired by this documentary, we're hosting a diverse group of scientists and educators to discuss issues of gender and inclusion in STEM. Learn from Dean Kendra Cheruvelil, Dr. Missy Cosby, Dr. Katie Hinko, Dr. Hasina Saraha, and Lydia Weiss.
