“

I am so grateful for the Career Services team and the support they offer. They worked with me to strengthen my scholarship and job applications, ultimately leading me to pursue a quality, career-progressing internship. “

The LBC Career team helped me prioritize the key aspects to focus on in my personal statement and ,my primary applications and continued to assist me with the secondary requirements. While my peers grappled with anxiety, worry, and confusion, I felt a sense of confidence and tranquility, knowing that the LBC Career team was firmly in my corner.

**GRAD/MED
SCHOOL APPS**

“ Attending the Briggs Career Chat event was so helpful for me to not only network with Lyman Briggs alumni, but also, to remind me that careers are seldom linear. All of the Briggs alumni I spoke with that evening were interested in me and my experience at MSU, as well as telling me about their path to their current and future positions, using their own shared experiences at MSU and beyond.

-Joanna C.
Class of 2023, Bioinformaticist- Michigan Med
