

## *In Memory of* **BRIAN FALZON**

### **Brian Falzon Book Scholarship**

The Brian Falzon Book Scholarship was established by his family and is intended to encourage students who have demonstrated a capacity to achieve educational and professional goals, the motivation to achieve these goals and the initiative to seek opportunities to further their individual progress.

### **What inspired you to create a scholarship in Brian's name?**

Brian was considered to be a healthy 19 year old. He collapsed and died at Holmes Hall. There were no warning signs. He died from Sudden Arrhythmia Death Syndrome, an undiagnosed electrophysiology cardiac arrhythmic disorder. We created the scholarship to keep the memory of Brian alive and to help other students achieve their goals at Lyman Briggs/MSU. The worst fear of a parent whose child has died is that their child will be forgotten.

### **Who is Brian Falzon?**

Brian was in his second year at Lyman Briggs residing at Holmes Hall. His major was mechanical engineering. He interned for DJB&A Inc. where he was credited for designing and creating solid model parts for the locking systems on Ford trucks. He was an avid sports lover enjoying football, baseball, wind surfing, skate boarding, snowboarding, skiing and snowmobiling. He collected sports memorabilia. He loved music, had a wonderful sense of humor and was known for his practical jokes.

### **What about Brian's time in Lyman Briggs sticks out the most to you?**

Brian loved campus life at MSU. He considered Lyman Briggs School his second home and the students in Holmes Hall his extended family. He was known for giving free haircuts and sharing pizza with other students on his dorm floor. He had the most beautiful blue eyes and was known by the nickname, "Cloud". He always had a smile for everyone. He enjoyed bringing his younger sister, Nikki to Sib's Weekend. He met two of his best friends there.
